This year is rapidly developing another page of history in the annals of West Linn High School. It is a pleasure to see the many improvements which are taking place and note that we are keeping pace with the modern trends in education.

It is the desire of your administration and your faculty to place the tools of learning in your hands and to note the eagerness with which each of you is grasping these tools and using them to better fit yourselves to take your place in the society of tomorrow.

All eyes are on the youth of today and I'm proud of the record you are making at West Linn.

This school year has been a pleasant experience and an enjoyable year. We appreciate the many improvements and additions to our school building, made possible by the action of our school board.

The students at West Linn High School have set high standards in scholarship, sportsmanship, and leadership. Our many new students appreciate the friendliness shown our students and faculty.

To the students not returning next year, we wish success in their future endeavors. We hope many will continue their education and become leaders in their professions.

We know our returning students will continually strive to make our high school "the best".

Our Freshman year was started by winning the annual bag rush. The donut sales resulted in naming Aileen Harmon and Gary Lee as Donut King and Queen. Then, the tiny, vivacious Reinke twins entered the scene as our Homecoming princesses. In February, redheaded Carol Latourette was elected as our basketball princess. Our class officers for the year were President, Gary Lee; Vice President, Ron Kearns; Secretary, Vickie Martin; and Sergeant at Arms, Bill Byers.

President Neil Franklin; Vice President Barb Peacock; Secretary, Julie De Jardin and Treasurer, Maryanne Reinke, got the class off to a good start our Sophomore year. We sponsored the Homecoming Dance and sold Rooters' Buttons. Sparkling Julie De Jardin was our contribution to the court. When basketball season started again, we selected Mary Miller as our princess.

We made the Homecoming Court complete, our Junior year, by adding blonde Marcia Druhl as our princess. Petite Mary Miller was again chosen as our basketball princess. Besides sponsoring a successful Junior Prom, we proved we had learned something, by placing three semifinalists in the National Merit Tests. The class officers for this year were the following: President, Ed Danill; Vice President, Jerry Fetz; Secretary, Sharon Russell; and Sergeant at Arms, Dan Acker.

Finally we reached the highest plateau and became Seniors. We had almost perfect parliamentary procedure at our class meetings with John Newkirk, President; Craig Latourette, Vice President; Marcia Druhl, Secretary; Peggy Miller, Treasurer; and Sergeant at Arms, Don Zalonis.

Pat White was our Lovely Homecoming Queen and the Christmas Ball with its theme "Starlight and Silver Bells" ended our activities for 1961. Our May Day festivities and graduation filled our last two months with feverish activity. Our May day court was one of beauty and charm.

So for all these and many more fond memories, we the Seniors of 1962 would like to thank you. We are looking forward to a new way of life, but we are also looking back at what we feel were profitable and happy years.

FOOTBALL BANQUET

This time of the year is especially exciting and "special" to all West Linn Students. A banquet is held after football season is over. All football players invite their mothers to a special banquet which is served in grand style by the Lionettes. We were presented with the "hard-won" West Linn-Oregon City trophy by Bernie Herman.

BIG AND LITTLE SISTER TEA

Senior girls acting as "big sisters" for the Freshman girls were entertained at an annual tea. "Big sisters" help Freshman during those "trying" times at the first of the year.

The girls were served punch and cookies.

FATHER AND DAUGHTER BANQUET

One of the big projects for the Girls League is the father-daughter banquet. After the banquet fathers and their daughters attend an exciting basketball game.

With assistance from Mrs. Martin, our art teacher, the girls decorate the tables for the father daughter banquet.

Exchange student from Argentina

After living one year in West Linn, I have learned a lot of things, not only from the school, the systems and ways of teaching and learning, but also I have learned a lot about your people. I just loved coming here and having this wonderful year of experience in this friendly school. I hope some time I will be back to visit you again and maybe some of you will be able to see my country. I also want to thank you for all you have done to make me happier during my visit here.

I feel very fortunate to have gone to Norway and lived with a Norwegian family. My family's hospitality, kindness, and sense of humor, are typical of all the Norwegian people. These people have helped me to understand that there is no great difference among the peoples of the world.
